Magnificent Maria here, definitely has a wild side. "I love animal print –I wear it all the time. I think it's because I'm very much like a big cat, say a leopard or a cheetah. I'm athletic, lean, fast and I love being stroked!" Ah, but do you purr, Maria? "It has been known." She laughs. "Especially when I have some fresh man-meat to play with! I think the only difference is that I don't come when I'm called – it's really very disappointing!" you're telling us, love!

Sexy Sal

She's must be one of, if not the most recognisable MILFs working today. If you're not aware of her, may we offer a very warm introduction to Sexy Sally...

We've always prided ourselves here at Razzle on bringing you the sexiest women, regardless of age, colour and race. But if we're absolutely honest, we'd have to admit that that you can't beat a romp with a mature lass who knows exactly which buttons to press and how to press them. Step forward, Derbyshire's Sexy Saucy Sally, one of a growing number of frisky, older gals on the internet who wear their sexuality on their sleeves...

I hope you don't mind me telling our readers that you're 43 and only started sexy modelling four years ago. How did this come about and why did it take you so long to get dirty?
I've always had a naughty side and I guess it was a guy I dated a couple of years ago who brought out the latent, lustful, slutty side of me, including convincing me to pose without clothes on for the very first time. In all honesty, there wasn't even a topless Polaroid in existence until four or five years ago!

Is it now more a business or do you really enjoy posing?
It is, and has always has been, more about the fun than business. I honestly hope it shows in my photos. I don't do anything that's not fun and I really enjoy the modelling. And does it turn me on? Oh, yes! You don't have to look too closely at a lot of my pics and films just to see how 'turned on' I get!

Do you prefer posing for photos or film?
Definitely photos. I'm quite conscious of my own voice and was incredibly nervous in my first ever film appearance. That's what makes it sexy, so I'm told, but I do prefer the still image!

You organise photoshoots so your fans can come and film you. Is it one-on-one or a group event?
At the last photo shoot I did at Barlow Studios near Chesterfield, five guys photographed me, over seven hours. I just charge my standard modelling rates and I pay the studio hire for them and I provide the tea, too. What a bargain!

Do you prefer doing hardcore or softcore pictures/films?
I don't mind doing either but I am very, very selective! Call me old fashioned but I do prefer to be comfortable and at ease with someone, and really only work with genuine folk!
You seem to love posing in high-quality stockings and sexy lingerie?
I have always worn stockings for work ever since I left college, and started in my first job working in the hotel business. As for pleasure, I know it drives all men wild and that's part of the allure and tease. My last boyfriend used to love being teased when we went out for dinner knowing that I was wearing stockings and having to guess whether I was wearing knickers or not!

Do you like kinky clobber too, such as leather or rubber?
Oh, God yes! I just love the tight feeling that rubber and latex gives you against the skin. I know it really feels good and the touch of it against a man's most sensitive area makes them go weak at the knees and hard as iron! I think I got a real liking for it when I was in Vegas for my 40th. The guy I was with took me to an adult shop and treated me to lots of kinky latex stuff which had us both as horny as hell. I gave him a treat on the plane as all the lights were off at 30,000 ft. I wanked him off in his seat. He had to be so quiet and it was a real horny experience!

You often pose outdoors and in odd places. Do you come up with the scenarios or are they fan suggestions?
I work with some great photographers, one in particular who is really imaginative, and I get lots of fantastic suggestions for scenarios from fans. Lined up for forthcoming shoots, I have a garage in East Yorkshire, a factory in Southampton, some offices in Derbyshire and perhaps a shoot in Tenerife with a few girl-girl scenes.

visit www.paulraymond.com

ly says...

What's the most requested choice of attire from fans and what's been your favourite scene so far?
I would say that 'secretary' and 'college girl' would be the most popular outfits with my fans, and PVC or my RAF uniform (also sent to me by a fan!) would be a close third. As for scenes, any office scenario is always very popular, followed by 'naughty girl flashing outside'. My favourite scenario was my first boy/boy/girl scene and also tying Dirty Dave the Mechanic to the fork lift in the workshop and having my wicked way with him!

Any odd experiences while posing?
A supposedly secretive set of rocks and cliffs in Gran Canaria one evening last August. By the time I was naked, I realised I had an audience of over a hundred local fishermen peering over the cliff tops who thought it much more interesting to watch me lose my knickers than go fishing!

What part of your body do you like the best and is there anything you'd change?
I think my lips and eyes are the best part of my body, although my bum does have a big fan club! I wouldn't really change anything as I'm more than happy with what I have.

Do you also have a normal job and has your posing ever got you into trouble?
I was sacked from a previous job because of my modelling. What was upsetting was effectively being silenced whilst senior managers lied and fabricated evidence to achieve their wishes. In the end I changed my mind about taking the unfair dismissal to an industrial tribunal. I now look upon it as a blessing in disguise. Small-minded folk and their loss. I was quite popular in the works too for some strange reason! But now I've landed a much better job, with more pay, responsibility and more flexibility in my hours. It's a big commercial company but I don't think it would be wise to say who!

Why do you think guys love to see a more mature woman when there are thousands of young chicks posing?
I think sexual confidence comes from age, maturity and knowing what you want. Youth brings many physical benefits but a lot of the sexiest foreplay takes place in the mind, the seduction and the tease. I think the more 'mature' girl knows that much more and if they can keep their body trim, then that wicked, wanton wisdom makes a woman so much sexier. We just know what you like and you know that we know!

What's your favourite shagging position?
I love being taken hard from behind. Heart-stopping, knee-weakening, all-action lusty vigour and slap my bum cheeks, too! Call me all sorts of filthy names, make it hard, frantic and I just love it (I'm blushing as I say this, but it's true!). If it's outside then even better; there are a few high street public places in Derby that may have some very interesting CCTV footage!

Do you prefer shagging men or women?
Oh, definitely men, for one obvious big reason!!

Do you use toys to get you horny?
I love my 'BOB' – Battery OperatedBoyfriend. That's a very large Rabbit! And I also love my butt plugs and my nice smooth metallic vibrators, too. They're all my favourites! I'm treating my best friend Kinky Katie to a new one for her birthday next month.

"I love butt plugs and being taken from behind"

And if you could pose for any celebrity who would it be?
Definitely David Beckham. He could photograph me and then set the self-timer and join me in front of the camera all night! In fact, let's start off with Robbie Williams taking the photos and then making up a nice little boy/boy/girl threesome, greedy girl that I am!

What have you got planned for the future?
More sexy shoots for my own blog *www.sexysaucysally.blogspot.com*. Plus *www.wwamateurs.com/sexysally* and *www.thewivesclub.com/sexysaucysally*. I will be doing some more naughty hardcore filming for some of my favourite websites, too, and also for my CDs and DVDs.

Thanks Sally, we think you're amazing!

We didn't think Janet would be too pleased, as we only met her 10 minutes before this shoot. We did try telling her that there can't be any better way of getting to know one another, but she wasn't having any of it! We reckon she'll have softened by the next time we shoot her, but just in case, we've got lots of pics to wank over, and of course, we have a very good imagination!

True Con

Could you still pull a younger man? Take a few tips from Shauna from Plymouth...

I'm happily married and, although sex with my hubby is still good, I like to mix it up, especially now that the children are older. Sometimes at weekends I go out with my girlfriends and, while we often end up clubbing, there are times when all I want is some kind of sexual release.

I'm 37 but have kept myself well. Fact is, I look better now than when I was younger. My tits are still pert and don't sag, and my hips are wider and more voluptuous. I also have a good idea of how to dress to catch a man, and the extra cash to buy the sexiest lingerie I want.

One of the best times I have had lately was last Friday night when my two girls were at their friends' house for a sleepover. Hubby was at our local boozer, so I told him I was going out with the girls.

I decided to hit one of my favourite bars on the other side of town. It's a hot spot on weekends and I rarely fail to pull when I go there. I got a taxi there and, after buying a drink, I sat down and scoped out the room.

That's when I saw Kevin, a really fit-looking bloke, who was way too young for me at 20. I'd seen him before but never really thought of him as a likely candidate. However, that night he looked like a fine prospect for what I was planning and, smiling to myself, I caught his eye across the room.

I was wearing a really low-cut tight top which clung to my perky tits and showed off my cleavage. After three vodkas I decided to pounce. He was alone, waiting for his friend to return from the toilets.

"Hi, do you have the time?" I asked, smiling. He looked at his wrist and looked flustered. "No watch." Then he reached into his back pocket to pull out his phone and tell me the time.

"My friend's late," I said with a smile. "I've been standing over there for ages, do you mind if I wait with you? Guys keep trying to chat me up and I'm not in the mood." I like using this story. In a few simple words, I can explain why I am alone and suggest that other men are attracted to me.

He noticed I had no drink and offered to buy me one. At first I refused but then gave in, as I always do once I am fairly sure this is my bloke for the night. When his friend came back, he introduced me, good-naturedly telling his mate to fuck off and find his own bird.

After some drinks and lots of flirting, I finally turned to him when his friend was at the bar and told him the real reason I had come over. "Sex. Now. Outside."

His mouth opened as I turned on my heel and left the bar, my tight trousers stretched across my bum as I strutted out of the building. He didn't explain to his mate where he was off to, he just followed me.

Stopping at a spot where there was just enough light to see what we were about but not enough to spotlight us, and feeling like a proper tease, I pulled up my top and popped my tits from my bra-cups. I cupped my boobs in my hands and toyed with my nipples as young Kevin caught up to me. He was all over my tits in an instant, squeezing them together and eagerly kissing them all over.

I was getting off on being groped by this young stud, and my pussy was aching for some hard cock. Not wanting to mess around, I moved to the nearest parked car. Placing my palms on the bonnet, I spread my legs wide and shoved my arse

"My pussy was aching for some hard cock"

towards him.
He ran his hands across my bum-cheeks, squeezing them through my short skirt.
Lifting up my hem, his fingers felt their way under my panties to my slit until he found my clit. My juices trickled as he tickled it with his fingertip, before his fingers moved between my pussy lips into my slit. Within seconds he was knuckle-deep inside me, fingering my fanny roughly and making me push up onto my toes, my pussy gripping his finger.
It was not the gentlest foreplay, but fuck was it exciting! Frustrated by my clothing he wrenched my knickers down and, horny as hell, I pushed back into him.
He yanked my skirt up and plunged two fingers deep inside me. Working them in and out of my wet pussy, he frigged steadily, making me ride his hand.
I widened my stance, inviting him deeper into me until I came hard, intense pleasure rushing through my body. With a grunt of satisfaction he removed his fingers and licked them.
Grabbing me by the hips he turned me round, and, pushing me gently against the car, pulled my panties fully down, squatting as he did so. I clasped the back of his head as he pushed his tongue against my swollen pussy lips, flicking it between the wet pink folds.
Pressing back against his mouth, I moaned as he licked up and down.
I loved standing over him as he looked up at my face. Our eyes were locked as he licked my juices up. Feeling close to another orgasm, I pulled his head away from me, wanting to keep control.
I kissed him, tasting my own juices from his lips.
Then the cheeky bugger bit my lip and pushed hard against me until I could feel his solid cock pushing against me. Fumbling, eager to get at his dick, I opened the top button of his jeans quickly and tugged them down.
A wet patch had appeared at the front of his boxers and I knelt down and began licking at it hungrily. With a moan of impatience he yanked his hard shaft out and shoved it into my mouth. He groaned as I sucked him all the way inside to the back of my throat.
He seemed unused to this kind of frenzied oral, and it didn't take much to bring him to the edge. Pulling away, I rose and repositioned myself, leaning against the bonnet with my legs splayed. With my buttocks on the cold metal I leaned back, offering myself to him. He entered me slowly, sliding his prick in and out a few times before really going for it.
He was young and fucking nuts for it, and I was grunting as he plunged his thick cock in and out of me. He gripped my legs against his shoulders and pushed up higher into me.
I cried out even louder and I'll swear his cock grew even more swollen. I came hard as he plunged once again hard and deep, my cunt gripping him tighter as, with a grunt, he blasted his load. Feeling cheeky, I didn't move, just stayed with my legs wide open, feeling his spunk drip out of me and studying the blissed-out expression on his young face.
Shauna, Plymouth.

Mum's Ti

Here at Razzle, we have always championed the older woman – and it seems the world has caught up! MILF movies appear to be the hot thing of the moment, and we're not complaining one little bit! Let's hear it for the more mature muff...

The adult industry thrives on a constant infusion of fresh flesh. Let's face it, without a unending supply of new meat, there isn't a sex industry. The conventional wisdom is, the ideal porn chick is somewhere between 18 and 25, naïve, firm and horny. Most of these newbies are processed through the industry like prime beef and, if they're not careful, are overexposed and shot out within a matter of months, and then it's on to the next new piece of ass. Once they pass 25, if they stick around that long, it's straight to the glue factory. But over the last few years, a niche category has been growing that challenges these assumptions and flies in the face of conventional wisdom. It features women, not girls, who are the exact opposite of the innocent tweenies. They're MILFs, and they're a force to be reckoned with.

First, a definition for the uninitiated. MILF is an acronym for Mum(s) I'd Like to Fuck. In general, a MILF is about 30-50 years old. Beyond 50-something and we get into a whole other niche, the GILF – Grandmothers I'd Like to Fuck. A MILF doesn't have to be a mum, though she should look as if she were or could be.

Technically speaking, any performer who has had a child is a MILF. Teagan Presley, former Digital Playground contract girl, qualifies by virtue of her two daughters, and she's only 22! At the other end of the spectrum is DeBella, who is in her 50s, and is the mother of fellow porn star, Jewel De'Nyle. But then Darryl Hanah, one of the most popular MILFs working today, is 36 and has never had children. The defining characteristics are more physical than chronological. If she has some stretch marks, a couple of laugh lines, that's okay. In fact, it's proof of her mature status. As long as she's in good shape and looks hot on screen, she'll have a healthy and long career. Just how long depends on how popular the genre remains. At this point, that's looking like very long. The appeal of the older, sexually mature woman has been around for years in both porn and mainstream. The plot of The Graduate, starring an awkward Dustin Hoffman and an alluring, sexually sophisticated Ann Bancroft, focuses in part on her aggressive pursuit of the naïve dweeb. In an iconic image from that film, Hoffman is framed by Bancroft's provocatively posed leg as she adjusts her black nylon stockings. And that was back in 1968. The oversexed and sexually deprived women of Wisteria Lane, MILFs one and all, have propelled Desperate Housewives into a winner.

Most agree the term MILF first appeared in American Pie, released in 1999. The expression caught on, and soon every production house was churning out something featuring hot mums getting boned in between doing those mind-numbing household chores. Others credit the beginning of the fad with Wildlife Productions' *Screw My Wife, Please* series. Some say the whole MILF thing is a reaction to the teen craze and is nothing more than a marketing tool to repackage what has always existed. Whatever its origins, MILF product has firmly established itself to the point that the American Adult Video News, the industry Bible, has a sales and rental chart devoted exclusively to the genre.

"In the last two years, it's really exploded," says Stuart Wall, VP at Smash Pictures, which puts out several MILF lines and has had extraordinary success with the theme. "We specialise in the niche markets. We had a dinner with our cable clients, and we asked them what was the thing people were asking for and it was all about MILFs. I listen

visit www.paulraymond.com

he Word!

to what our fans want and they keep saying MILF, MILF. So we shot Cheating Housewives. We didn't know where that was going to go. It became our number one seller. In our titles, I make an attempt to use classic porn stars and get them back into the scene. Getting stars like Amber Lynn and Kylie Ireland was exactly what people were asking for."

The popularity of MILFs has without a doubt revived the careers of stars who had been put out to pasture years before, like Amber Lynn, Ginger Lynn, Nina Hartley and Lisa Ann. Lisa Ann returned a couple of years ago to do a few performances, then shrewdly shifted gears and opened her own talent agency, specialising in older models.

"It's almost like classic rock bands going back on tour," observes Mike Quasar, Zero Tolerance Entertainment director, who shoots two of ZT's MILF lines, Mother Load and You've Got A Mother Thing Coming. "You remember them from the first time around. A perfect example is Lisa Ann, who was incredibly hot when she first got in the business in the early 90s, then she came back as a performer 10 years later and still looks incredible. I'm sure she made a lot more money the second time around than she did the first time. Not unlike the Rolling Stones."

Kylie Ireland, a veteran of porn for over 14 years, remembers a conversation with Nina Hartley. "Nina told me that for a long time she wasn't doing anything. But now with the MILF thing, she's working every day." Kylie herself works as talent occasionally when she's not directing her own films, including the recently lensed Mommy Rearest for Sex Z Pictures, and appeared in Smash's *Cheating Housewives 4*. "I mean, if I went on an agent site, I have no doubt I'd work every day, shooting mainly MILF titles."

Roy Karch is another veteran of the industry who began shooting back in the 80s, and he's just completed MILFology for his own Roy Karch Productions. "The MILF thing took off when men realised that teens weren't the only women who could give us pleasure. In fact, it's replaced the teen genre. Eventually, it had to get down to real women. I don't care if you call them MILFs or 30-year-olds or '40 and naughty'. Women, as they get older, come into their sexuality and realise who they really are – they're hot babes. When we used to shoot in the classic porn era and we were using Vanessa del Rio and Kay Parker, Annette Haven, these were women in their late 20s. We didn't call them MILFs. They were hot women.

Today, Darryl Hanah, Lisa Ann, these are real women. It would be silly not to use them in our films. It's another way of expressing the sexuality of a woman by using women who are more experienced. For me, MILFs are the new teens."

Darryl Hanah got into the business in 2005 at 33, after investigating different avenues to explore her sexuality and not finding a lot of satisfaction. She has become one of the most popular and frequently cast actresses in the genre. "I don't think it's a bad thing. It's great the category exists, and it's been flourishing ever since I started. I call myself a sophisticated slut," she says with a laugh. "I'm a woman, and real women like to come. Older women were always the mold for sexuality. Raquel Welch, Sophia Loren, all these sexy, hot women. I looked up to them. Back in the days, most adult stars were women and it didn't matter what the age was. You were a woman, and you were older. Who actually cares?"

One of the most intriguing questions about the MILF phenomenon is, who is watching? The impressive sales figures indicate it clearly cuts across all lines. Mike Quasar feels it draws from both younger and older guys. "The demographic of porn viewers has skewed toward younger viewers with the internet. It's not just dirty old men looking at porn any more. You have a kid in his early 20s who's watching adult, and he wants to see the sexually experienced woman who can teach him a thing or two. Not the college babe."

Kylie suggests that established porn stars bring their own fan base. "One of the things that comes along with the MILF or girls our age is we have fans who watched us grow up on film. I have fans who tell me, 'I remember when you were new and had blonde hair. I like you much more now. You're much more beautiful, you've come into your own. I like your red hair.' We're a part of their lives."

The MILF thing may no longer be a fad, but like every novelty in porn, it does have a shelf life. What does the future hold? "It appeals across a wide base of fans, so it won't go completely away," says Quasar. "But you'll see less of it. There'll be a tipping point where people don't want another MILF movie."

Karch wants to turn the tables on the conventional roles. "MILFs, Men I'd Like to Fuck by women who would like to fuck real older men. The stars are the ladies and they pick out the hot male talent. How did we leave that out?"

As Smash's Wall sees a blending of the generations. "The new thing is getting mothers and daughters together in scenes. Like Delilah Strong and her mom, Kayla Page and her mom. Paulina James and her mom. Most of them don't want to go there, but producers are definitely asking them to do it."

Darryl Hanah sees a long period of success for the genre. "I see it continuing for at least 10 years. Sexuality and harnessing it is awesome. Hopefully, it'll bring it back to just appreciating women and the female form."

TIANA

Beauty Tiana chose her own outfit for this shoot. "I love corsets and wear them as often as possible. I love the way my tits get squashed together, don't you?" Well, we can certainly think of something that would fit nicely between them!

We hate to be predictable, but there's just something about women in stockings and suspenders that really does it for us. And as Suzy here is drop-dead gorgeous as well, we are happy little bunnies at this time! Apparently 'single, but looking', Suzy reckons she likes her men rough, ready and rugged. Taylor

Wendy Taylor flies the flag for older ladies, and is looking for blokes like you to shag her for her website. Get in there guys!

"I was being DP'd, giving Ben Dover a blowjob"

Tell us things about yourself?
I'm 47 now which is my real age, Wendy Taylor is my real name and I've been married for 23 years now. I live in Hertfordshire and became involved in porn about thirteen years ago. Before that I was a veterinary nurse, then a microscopy technician at a university, and after that I worked at Harwell Atomic Energy Research Establishment. I used to have no self esteem, so it was my husband who thought it would be a good idea to send my photo off to Fiona Cooper, a DVD company. They got in touch, and said that, yes, they would like to shoot me, and specifically for *'Shaven Havens'*, which was a solo shoot. I loved it so much that I immediately flew off to Amsterdam and did my first boy/girl scene!

What are you up to at the moment?
In the evenings, my regular job is presenting *Babeworld Real Wives* which is filmed in Milton Keynes. During the day I shoot whenever people book me! I'm keeping busy – I'm booked for a shoot tomorrow for a website, and I'm filming for a Dutch company a couple of days later with Marino.

Best and worst part of the job?
The best part is actually about 99% of the time, meeting really nice people, and the worst part is the time-wasting on shoots. I don't smoke, but my fellow performers are always taking fag breaks. It drives me absolutely mad!

What's you favourite ever scene?
Probably the first Ben Dover scene I did, which was the first time I ever took on three men. I remember coming out of Acton tube station in London and Ben, or Lindsay as I now know him, shook my hand. I must have been really nervous because I distinctly remember him wiping his hand on his jeans afterwards! Anyway, I overcame my nerves and ended up with three cocks in my mouth and being DP'd whilst giving Ben a blowjob. I came quite a few times and it was honestly the best scene I've ever done in my life. I've really been trying to recapture it for the last twelve years...

Who would you most like to work with?
That's difficult because I've worked with most people in the biz. I'd quite like to do Rocco Siffredi, just for the challenge, but my pussy would probably regret it for a few days afterwards! I don't really follow porn, so I'm not up on the foreign girls, and I only watch my own films with my eyes closed from behind a cushion.

Any funny incidents?
I remember doing a scene where I was being fucked whilst sitting on the edge of a bath. My arse slipped and I ended up falling in, most unceremoniously! Then there was the time I was being fucked in a car wash, and we had to stop because the car started filling up with water!

Any disasters?
Yes, I was asked to go up to Newcastle for a shoot with a guy, who sounded fine on the phone. I took a train up there and when the train pulled in to the station, I saw this guy waiting for me and he was so ugly I felt ill. I forced myself to get off the train and spent the next half hour

being chased around by him, before I jumped on the first train home.

But it says on your website 'The girl who never says no!'
Well I lied! It should be 'The girl who never says no as long as you don't resemble Jabba The Hut!'

How do you unwind?
Well, I love motorbikes and I recently passed my module one test. I now have to do module two on the road, and then I can ride a motorbike without L Plates. I have my eyes on a Kawasaki Ninja 250R [Go on, get an R1! – The Ed]. My other job, apart from being a porn star, is as a gardener. You could say that either way

"I'd like to do Rocco, just for the challenge"

I like to be on my knees and getting my hands dirty!

Do you have many fans?
Yes, and I get sent a lot of pictures of their penises and quite a few letters. I did a BGFD party for charity, where the girls could meet the fans. This guy turned up with a picture of me on the front of his T-shirt, which was nice, but then he insulted me by saying that I looked older than he thought I was. Fans are quite strange. I remember when I was at the Erotica show on Phil McCavity's stall in a tiny T-shirt, and this guy came up and said, 'Hello you don't remember me do you? You used to do my garden.'

So how does the 'Search For A Stud' part of your website work?
They send in pictures of themselves with a letter and if they make sense, and don't write in capitals, then I will invite them to come and fuck me. These are members of the public, but they have to turn up with a full sexual health certificate. I won't do anal, but they do get to do a 30 minute scene with me. I've done about 11 men so far and three have cut the mustard, so I've sent the film on to other people in the industry, who may want to use them. Usually they can either keep it up and not cum, or they cum too fast, or they can't talk. And sometimes I just don't like them...

What are you plans for the future?
Well, I never really plan ahead but I've got a family, so I'd like to keep on working for the next few years until I'm at least fifty. I started off as an old bird at thirty-two, and I'll carry on as an even older bird – as long as the phonecalls keep coming, and the studs keep cumming too!

True Con

Is it wrong to fancy your neighbour's son? Not if you get the action that Enid from Diss did...

Since my neighbours' son Jonathan came home after two years in Australia, I've hardly been able to take my eyes off him. He's grown from being a puny young lad into a sexy hunk. But while I fantasised about being fucked by Jon I never thought it would be a possibility, mainly because of the huge age difference. I'm 38 and he's 22. Instead I used to get my fun by watching him working in his parents' garden, guiltily teasing my clit as I fantasised about having sex with him.

He's such a good looking young lad, and I often thought what I wouldn't give to teach that boy a thing or two between the sheets. Of course I never acted. His parents were good friends and very supportive of me since my divorce. I couldn't imagine how they would react if they'd known I wanted to fuck their boy, and luckily I still don't know because they haven't found out!

Jon was out working in the garden one day last summer, and I thought that I'd pretend to do some outdoor work myself to get a better view. I started raking up leaves, taking my eyes off him occasionally as I daydreamed about the possibilities, when I glanced up at the sound of a male voice.

"Hi Mrs. C, how're you doing?" he asked, jumping with ease over the low dividing fence. Trying to think of something to say, I asked him if he was glad to be back home. He gave me a cheeky wink, and told me that what he had missed most when he was away was watching me sunbathe in the garden. I was so shocked!

"Feel free to stop and stare anytime, " I laughed, trying to hide my embarrassment. Then my mind went blank. Attempting unsuccessfully to think of anything to say to the boy I muttered something about finishing the washing and headed back to the garage.

I was struggling to hang the rake back up on the rack, when I felt a pair of strong hands reach from behind, grab my pert tits and gently squeeze. I yelped and moved back in surprise.

Jon held me to him, kissing my neck and caressing my breasts. "I really want to fuck you," he whispered as he pressed his crotch against my arse. Surprised, but delighted, I played along, and turning around, I rubbed my hand against the swelling in his jeans.

"In that case, close the door, and do it," I told him. Jon pulled the overhead door down quickly and locked the inside bolt.

I've always kept myself in good shape, and I'm an attractive woman for my age, at least I like to think so! So I didn't feel any embarrassment as I brazenly peeled off my T-shirt and unfastened my bra, dropping both to the floor.

Moving closer, he covered my right tit with his hand and squeezed gently, before bending down to lick my other nipple, sucking it into his hot wet mouth. It felt so good that I almost came just from the tit action alone.

He quickly unfastened my jeans and pushed his hands inside my panties. Jon rubbed his finger against my clitoris, making my pussy slick with sex juice. Then he began to pump his fingers in and out of my hole, making my pussy

"He pumped his fingers in and out of my hole"

muscles clamp around his fingers as he frigged my hot slot to a powerful orgasm.

Weak from my pleasuring I dropped to my knees and unbuttoned Jon's jeans, while he removed his shirt. Yanking down his briefs, I sucked in my breath as I saw the size of his big cock.

Gently holding his shaft, I stuck my tongue out to touch the eye. I started licking the head all around, and he moaned softly. Taking the head into my mouth as I gently squeezed his scrotum, I flicked my tongue quickly back and forth against the underside of his soaking cock-head.

Jon held my head with one hand and reached for the workbench to steady himself with the other. My pussy was throbbing with a burning sensation as I licked Jon all the way forward from his balls, along the length of his cock, to the tip.

Standing up, I kicked my jeans aside and pulled off my panties. Jon's strong hands lifted me onto the workbench and I shuffled forward, moving my arse close to the edge so he could easily push his cock into me.

Teasingly he rubbed the head of his cock against my slit as I begged him to fuck me. I grasped the back of my knees to hold them up as Jon entered my pussy, sinking his thick cock inside me. My swollen pussy lips stretched and clung to his shaft as he pulled back until only the helmet remained inside.

He paused for a moment, before plunging it back inside to the hilt. I gasped as he began to hump me furiously, pumping in and out of me so hard.

I closed my eyes, loving the feeling of this no frills fucking. "You like this, Mrs. C?" he asked, driving even deeper. "It's been so long since I had a good fuck," I told him. "Far too long."

With a huge grin on his face, Jon assured me that he would do his best to keep me satisfied while he was around.

Then he stopped pumping my pussy and pulled out from between my throbbing labia.

Jon's big cock was rock hard as he helped me down from the workbench and bent me over. I leaned over the bench, and he stooped and nuzzled my pussy from behind, licking up my juices and teasing my clit with the tip of his tongue.

He began to finger my pussy again, using first one, then two, and then three fingers. My clit felt like it would explode with pleasure each time he stroked it.

At last he replaced his fingers with his cock and began to fuck my hole as furiously as before. I bumped my hips back to meet this renewed assault, and felt my knees turn to jelly as pleasure engulfed me. At the same instant, I felt Jon tense as he shot his spunk deep inside my pussy. And that was just the first of many amazing fucks we had in that crazy summer. Unfortunately Jon eventually went on his travels again, but he wrote me last week saying he'll be back to visit his parents again soon – here's hoping!

Enid, Diss.

ERICA

We've been trying to track down the beautiful Erica ever since we saw her slender tanned body and stunning face on the internet. Well, we did it, and here are the results! we're pretty pleased with them – even if we do say so ourselves! But then we figure that it's probably impossible to take a bad photo of this sexy laydee. With legs that go on for miles and tits that just won't quit, we can honestly say we'd give rather a lot to be allowed to spread those juicy arse cheeks, and slip something inside. Surely she can't refuse an offer like that...?
